

MERGERS & ACQUISITIONS

July 2007

The Changing Scene

By Editorial Staff

... **Mercanti Group** -- The firm increased staffing in its Los Angeles office with the hiring of two investment bankers - Brian Wood, director, and Eric Groman, principal.

Both previously had been with Seidler Capital, where Wood was a senior vice president and Groman had been a VP in the investment banking group. They advised mid-market companies in a wide range of corporate finance transactions, particularly in the health and nutrition, gaming and consumer products sectors.
